ODD SOCKS AND PYJAMAS!

Next week is **Anti-Bullying Week** across the UK. The theme for this year is **THE POWER OF GOOD**.

The theme of Power for Good has come about following consultation with teachers and pupils by the Anti-Bullying Alliance which coordinates Anti-Bullying Week every year in England, Wales

and Northern Ireland. Teachers and children wanted a theme that empowered them to do something positive to counter the harm and hurt that bullying causes. Assemblies & class discussions will be taking place across **Grasmere, Gayhurst, Mandeville &**

Kingsmead next week to empower children to think about how they can use the Power of Good to help stop bullying.

Wear Odd Socks on Monday 10th November

To launch Anti-Bullying week **all four of our schools** are taking part in Odd Socks Day. We're encouraging children and staff to wear Odd Socks to school on **Monday**.

Odd Socks Day is an annual event that takes place during Anti-Bullying week, that encourages people to wear mismatched socks as a way of celebrating diversity and promoting inclusion.

PJ's for Children in Need on Friday 14th November

At the end of Anti-Bullying week, next Friday we are also supporting Children in Need Day. We're inviting **children and staff at all**

four LEAP schools to join in by wearing pyjamas to school and contributing a suggested donation of **£1** if they can, to support this fantastic cause. It's always a fun and cosy day, and most importantly, it helps raise vital funds for children and families in need across the UK. All monies raised will go to Children In Need.

Let's show that together we can make school a safe, happy place for everyone and help those who need it most!

UNIVERSAL FREE SCHOOL MEALS EXTENDED!

The Mayor of London Sadiq Khan, has recently announced that his funding investment in a universal free school meals offer for ALL primary aged pupils in London's state funded schools will be extended onwards for a further three years, into the 27/28 academic year, meaning children in Nursery & years 3 to 6 will also continue to receive Free School Meals, in addition to the children in Rec to Year 2.

This is fantastic news for families, saving them over £1,000 over the two years per child, in the midst of the ongoing cost-of-living crisis.

FAMILIES STILL NEED TO KEEP REGISTERING FOR FREE SCHOOL MEALS

Please remember that it is still **vitaly important** for us that LEAP families still register for Free School Meals if they are in receipt of state benefits, as this is how a school's funding is calculated by the Government and affects how much money all of our schools receive.

If you need any help registering for Free School Meals or are unsure if you are eligible speak to someone in your school's office and they will help you.

All four of our schools offer great benefits that come with registering for Free School Meals including the following:

- A free school jumper (for Kingsmead, Mandeville & Gayhurst)
- The offer of one funded after school club every week.
- Subsidised rates for a range of activities including breakfast club/playcentre, school journeys and some trips etc.
- £100 grant for secondary school uniform for Yr 6 children.
- Free places at LEAP Holiday camps
- Supermarket food vouchers to cover school holiday periods.
- Discounted prices or sometimes no charge for school events & Hackney School of Food events

RECEPTION CLASS GARDEN TRIP

This week, Reception class excitedly made their way to Hackney School of Food Garden to learn all about autumn and winter.

They enjoyed making herbal potions, tasting sorrel, looking for minibeast and completing a nature hunt. While on the nature hunt, the children searched for herbs including rosemary, mint and thyme. They also enjoyed listening to Tom read a beautiful poem from Benjamin Zephaniah called 'Nature Trail'.

I liked making the tea because we put all the herbs in - **Otilie**

I liked the leaves (sorrel) because they were sour - **Sidney**

I liked holding the worms because they were wriggly— **Roman**

SHARING HOMEWORK

This week, we're shining a light on the fantastic effort and creativity Grasmere children have been putting into their homework! We've seen everything from 3D models of The Monument to brilliant Great Fire of London models, and some very impressive maths challenges completed by our younger children.

A huge thank you to parents and carers for the encouragement and support you give at home — it really makes a difference.
