Instrumental Lessons

Dear Parents/Carers,

Your child _____, has now started music lessons. Each session costs £4.00 and will be charged on a ten-weekly basis. Therefore, each term's lessons will be **£40.00**. No charges will be made to those children with pupil premium.

Your child has been loaned the flute/trumpet from school. It is important that you and your child are responsible for the care and safekeeping of the instrument. If in the event of accidental damage to the instrument, please notify the music tutor, as a charge for its repair will be necessary.

Please ensure that the instrument is not left in unattended vehicles, as the insurance does not extend to this type of cover, and you will be liable for the full cost of replacement in case of theft or damage. Please make sure children do not leave the instrument unattended in the playground or any similar area.

You should now use your ScoPay account to pay these charges as soon as possible. You can choose to pay weekly or termly. If you are having any issues regarding access to your ScoPay then please ask Patsy in the school office.

It is expected that your child will attend lessons for at least a term. Should your child not want to continue playing then you will need to confirm this in writing.

Please return the slip below confirming that you agree to pay for music lessons.

Thank you.
