

Order your Christmas Tree today & help raise money for Grasmere  
Primary School

## Christmas Trees from FROGS

Dear Parents and Carers,

How much do you normally pay for your Christmas Tree?

Would you like to pay less and make some money for the school at the same time?

FROGs are part of a scheme, "Christmas Trees for Schools", ([www.treesforchristmas.co.uk](http://www.treesforchristmas.co.uk)) allowing us to buy **top quality trees** at discount prices.

We pass the discount on to you, as well as making money for FROGs/Grasmere.

The company we buy the trees from are members of the British Tree Growers Association who source all their trees from sustainable crops. The trees are of the highest quality, and available in a variety of sizes. Last year 50 families ordered trees this way, and confirmed they were an excellent shape and quality. ...and in addition we raised **over £500** for FROGs.

**NB - Please note that the measurement of the trees is taken from the butt of the tree to the top to the spike.** All trees will be delivered in nets, for easy handling.

Simply fill in the attached form, selecting the size of tree you'd like, and hand it back to your class teacher by **Monday 25th November**.

Cheques or cash (in an envelope please) should be attached for the correct amount, cheques made payable to the London Borough of Hackney.

Your tree will then be delivered directly to the school in time to be collected at the Winter Fair which is on Friday 6th December from 3.30 – 5.30pm.

So, if you plan to buy a tree this year, **please** do so through us, Many thanks,

The FROGS team and Nick
