Winter Performance

Grasmere's Winter Performance celebrated the creativity and talents of the school with 2 performances on Wednesday 11th December. Year 6 were impressive in their performances and provided a framework for the outstanding individual class performances. Many thanks to all those who helped make it such a success on the day and a special mention to Julie Leaff who wrote and directed this spectacular production.

Head Lice

Due to number of children having skin conditions such as eczema, we would value regular checks for headlice by all parents and carers. Please could children with long hair ensure that their hair is tied up. It is important that children are checked on a weekly basis so that any headlice can be dealt with quickly and before they allowed to spread too far. For further informaton on head lice see your pharmacist or visit NHS choices website at:
