Silver Birch Baking

We have been busy bakers over the bank holiday weekend, using our maths knowledge and cooking skills to make banana bread and bagel burgers.

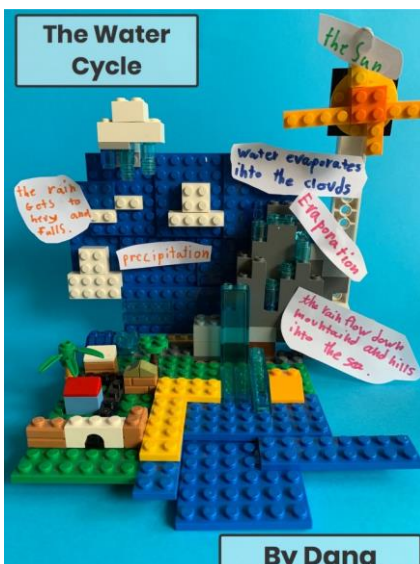

Aspen Class

This week, year 4 were tasked with making a masterpiece with some very specific features. Here's a small selection of what they came up with!

Dana has created a fantastic 3D model of the water cycle using Lego! How impressive!

Kingsley from Willow Class decorated plates to commemorate VE Day.

Oak Class

Oak Class staff members have made versions of themselves out of twigs! Can you tell who is who? And watch out Oak Class children, we are making you next! We will be putting up photos of our 'twig children' on Seesaw, so keep an eye out and see if you can guess who's who?! Just a little bit of fun!

Arts & Crafts

Using bits of junk that would have been thrown away, we followed Barley's advice and made model robots and elephants.

This took me about 2 hours hope you like :)

Rowan Class

Year one have been so busy this week with both their school work and their independent projects. We've been writing about a very sneaky pixie and started a project on the artist Sonia Delaunay. I've been amazed at some of the art work that has been shared. I've also been blown away by some of the extraordinary stories that have been written independently.

A huge thank you to Y1 Rowan class for making a lovely video for Grasmere staff. The staff loved the video! <https://www.youtube.com/watch?v=3CgWQjtjKC8&feature=youtu.be>

GRASMERE VALUES

Respect

- * Treating others as you like being treated and listening to each other
- * Using manners and considering others' feelings
