Rowan Class

Rowan Class have been really enjoying their Art lessons with Barley in the new Art Room! They took inspiration from the Rowan Tree in the Grasmere garden to create their own Rowan Tree Display.

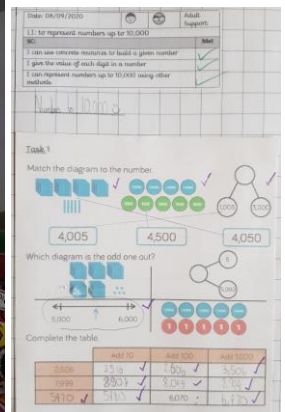

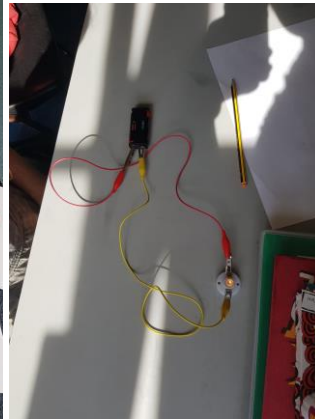

Art room

Our new art room in action! Such a fantastic space that all children will benefit from. Pictures are from the 1st lesson in the art room! Year 3 had a great time. Thanks Barley.

Silver birch

Year 6 learning is in full swing. We've started our self-portraits, represented numbers to 10,000, examined the structure of an information text and made simple circuits to test out knowledge about electricity!

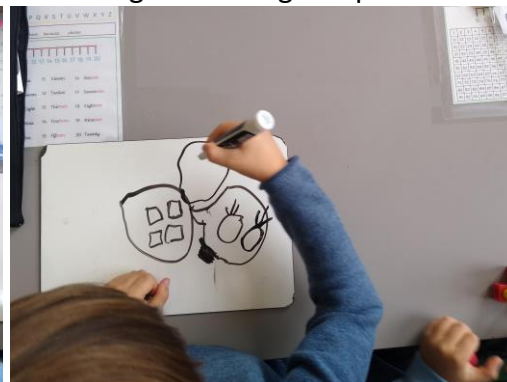

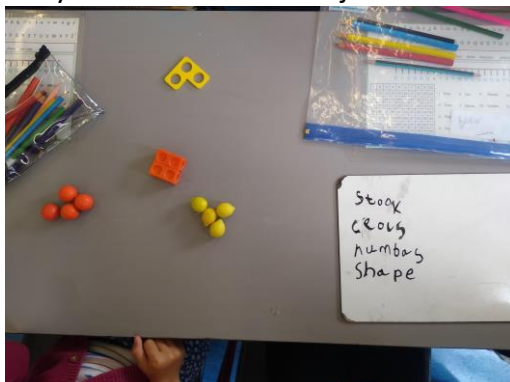

Holly Class

Holly class made bruschetta using tomatoes grown just outside their class room. They chopped them up and added basil, onion and some dressing. They described the colours and the flavours. It was delicious!

Rowan Class

Rowan class have shown their teacher some fantastic Maths learning! We've been learning about all the different ways that we can sort objects and then recording our findings! Super start to year 1!
