Cherry Class

Year 2 has been busy making Magic Boxes as a part of their literacy unit.

Acorn Class

The Nursery children had a wonderful week learning about their senses. We finished off the week by picking tomatoes from our garden and making pizza. It was delicious.

Teacher/ Parent meetings

We have been busy planning socially distanced face to face parent teacher meetings for before half term and were going to release details on how to book and the protocols involved. However, Hackney Education have released guidance that advises against face to face meetings but instead to hold meetings virtually. As a result the school will send out guidance on how to access meetings via zoom next week. The meetings will take place on the last week of this half term [week of 19th October].

THE GRASMERE SCHOOL COOKBOOK

Recipes from our community

WANTED: TASTY RECIPES!

Please contribute to FROGS's latest fundraising project, the Grasmere School Cookbook, by sharing your favourite recipes with us.

We're looking for any kind of recipe, from anywhere around the world – that special dish your nan taught you to cook; a classic treat or a traditional family favourite; the cake you always bake with the kids; or even your signature cocktail – it can be anything you want, as long as it is delicious!

HOW TO TAKE PART

Please send your recipe(s), along with a short explanation on where it comes from and/or why you think it's great, to frogs.grasmere@gmail.com as soon as possible. We are also looking for talented artists (children included) to supply some drawings of the school, ingredients and dishes. Get in touch!
