Silver Birch

Today year 6 used graphite drawings to help us understand how the length of a circuit affects strength of current and the brightness of bulbs.

Acorn

Acorn class have been celebrating Black History by learning about Garrett Morgan (the inventor of traffic lights). They made their own traffic light treats.

Rowan Class Science walk to Clissold Park

Last week, Year One enjoyed a nature walk to Clissold Park. We have been learning all about identifying and grouping animals this term so we put our skills to the test by seeing what animals we could find in our local area. We saw lots of mammals and birds! Thank you to all of our wonderful parent volunteers who helped make the trip a success!
