Year 6: Positive Case

Dear Parent/ carer,

I am writing to inform you that Sophie, a member of the Year 6 staff team, has tested positive for COVID 19. I'm sure you will join me in wishing her better. Sophie supports a few children in the class and therefore the numbers of children who qualify as close contacts identified have been small. These children have been contacted and will be self-isolating until Wednesday 18th November.

However, other adults in the Year 6 team have been identified as close contacts and also need to self-isolate until Wednesday 18th November. These are:

Josh
Lucy
Tanya
John

Although this proves a logistical challenge, we are keen for the class to remain open and ensure consistent provision for the children and minimise disruption. A supply teacher will therefore be in class working with Julie Leaff. Tanya, John and Josh will also be providing home learning for those children self-isolating.

If your child does develop symptoms, you can seek advice from the nhs.uk website at <https://www.nhs.uk/conditions/coronavirus-covid-19/check-if-you-have-coronavirus-symptoms/>. Your child must remain at home and you must contact the school immediately.

Please also read the general letter I will be sending out to the whole school community with further advice. In the meantime, if you have any further questions, please do get in touch. Thank you in advance for your support.

With kindest regards,

Nick and the Grasmere staff
