If you refused the vaccination due to faith/vaccine content reason, we are now able to offer the Flu Injection which **does not** contain gelatine

To book an appointment please send a text message to **07908908435** with your child's full name, DOB, Class, School and vaccine preference (spray or injection) We will reply back with details of the appointment. Due to high demand we are taking bookings via text message only and will not be taking calls. Appointments will be given according to when we receive your message and whilst there is stock availability.

Protect your child. The vaccine will help protect your child against flu and serious complications such as bronchitis and pneumonia.

Protect you, your family and friends. Vaccinating your child will help protect more vulnerable family and friends.

Rowan Class - Talk for Writing

Rowan Class have been very busy taking care of an alien who crashed into our classroom last week. Her name is Beegu and we have been learning all about her story. She is very shy but we have had lots of fun getting to know her and showing her our wonderful writing.

Acorn Class

We love playing "Escondidas" hide and seek with Lorena. The children take turns counting in Spanish. And when they find themselves they say "¡te encontré!" Means found you!

Christmas Spirit

Nursery getting into the Christmas spirit by baking ginger bread men this week. We were so lucky that none escaped from the oven.
