Hackney Music is running two 5 week online projects this term, for young instrumentalists.

Hackney Training Orchestra 'Making Music for Films' is a project for players who have been playing for at least a year, any instrument. We will be discovering about and composing film music. This project is very suitable for key stage 2.

Hackney Creative Jazz Ensemble 'Rhythms Change'- A sign of the times for players of grade 2 and above who are interested in jazz.

Suitable for year 5 and above.

There is a fee of £20.00/£10.00 concs.

If you're pupils are interested the application form and poster can be found on your school website and at HMS <http://www.hackneymusic.co.uk/> or you can send an email to: Emilia.crawford@hackney.gov.uk.

Rowan Class

Rowan Class have had a fantastic start to their Summer Term. After a mysterious diary arrived in our classroom, we pieced together the clues to find out who it belonged to. We discovered it was Cinderella's diary and have started learning her story map off by heart!

Dear parent/carer,

I hope you're well and that your child is interested in joining the science club this Summer term 2021 at Grasmere Primary School.

The club is for children attending years 3 and 4 will take place on Wednesdays from 3.30 to 4.30pm.

The tutor will meet the children at the Year 4 classroom and will give them a few minutes to eat, drink and use the toilet before the class starts.

We always recommend that the parents provide a light snack to eat before the class, to improve the children's concentration. Please avoid sugary treats and any food that may contain nuts and remember that the children are not allowed to share any food.

The tutor will take the children to the KS2 playground where they will be collected by the parents at 4.30pm. Please make sure you collect your children on time, as the teacher will have to tidy up the room after that and leave the school on time.

The fees for this term are £9.5 per child per class (£8.5 for siblings) and there will be 11 classes this term, so the total will be £104.5 (£93.5 per sibling).

If you wish to book or have any questions, please don't hesitate in contacting me at: info@kidswithbrains.co.uk

Thank you very much,
Ana Catarina Pires, founder of Kids with Brains.
