

The behaviour system at Grasmere

Stay on Green

- All children begin the morning and afternoon on green
- First warning, children go to yellow
- Second warning, children go to red and see the headteacher. If she isn't available, a Senior Leader for 5 minutes time out
- The parent is informed if a child is on red twice or more in a week
- Where a child demonstrates good behaviours for learning, they can go to silver
- Where a child demonstrates exceptional behaviours for learning (for them), they can go to gold. At this point they visit the headteacher to go into the Gold Book

Merits

Children can earn merits from the class teacher and adults outside of the classroom. Merits are awarded with certificates when a certain amount have been collected.

Marbles

- Children can collect marbles when they have demonstrated good learning behaviours as a class
- Marbles cannot be taken away, so should be given thoughtfully
- When the class have 10 marbles, they can vote for a marble treat
- It should normally take a half term to earn 10 marbles
