22nd April 2022

Dear Parents and Carers,

Welcome back, I hope everyone had a restful and enjoyable break. We have a very busy and exciting term ahead and this letter will help outline some key events for you and your child.

Year 1 Assembly

We hope you enjoyed last term's assembly, it was wonderful to share with you all of the fantastic work the children are completing at school. Our next assembly will be on the 7th June and further details will be sent out at the time.

Curriculum

Please see the attached Curriculum Map for an overview of Summer 1 in Year 1. Our topic this term will be Toys and Games. To prepare for this topic, we will be encouraging the children to speak to family members about their favourite childhood toys.

Phonics Screening Check

In Summer 2, the children will be completing a Phonics Screening Check. We will be doing lots of work at school to help the children prepare for their screening check. We will also be sending home some additional reading materials as part of their homework. Please do let me know if you have any questions or would like some advice/support with reading at home.

PGCE Student

We are very lucky this term to be joined by Sarah, a PGCE student from UCL who will be completing her final placement at Grasmere.

Thank you for your continued support.

Sinéad and the Year 1 team.
