Sir Captain Tom Moore class	Luca and Bora

Message from Neela

Hello everyone,

I hope you have all had lovely weeks. It has been busy here, I have had lots of children coming to me with their amazing writing, I'm so pleased to see the progress they have made!

Thank you also for the book donations you all sent in a few weeks ago. I have had some lovely Year 5 volunteers in here sorting them out, so they will be going to classrooms soon.

Reception assembly was really wonderful this week, the children have learnt so much this half term. Thank you to Kathryn and Fiona who have been teaching them. Barley and Sarah are now going to be taking Reception until the end of the year, and I know they have been spending time in the class again to make sure the transition is smooth.

Please look at the upcoming dates, we have some very exciting and fun events coming up.

Year 6 performance is underway, and I can see lots of singing and rehearsing going on, I'm really looking forward to seeing the final product!

Have a wonderful weekend!

Best wishes,
Neela

Nursery – Anna Pavlova class

In Pavlova Class we have been learning about 'Our Wonderful World' and how we can save the planet by doing simple things like. Putting our rubbish in the bins, turning off the taps and Switching off the lights. We made these Wonderful Worlds out of Collage and we promised to love the world.

Reception – Sky Brown class

Sky Brown Class presented a wonderful Assembly on Tuesday afternoon. They sang some songs, retold the story of 'Peace at Last' and shared their Art Work.

Year one – Rosen class

Rosen Class have been learning all about instruments that measure the weather. We made our own rain gauges and left them outside in the playground to measure rainfall overnight.

Year two – Simone Biles class

In Geography we have been learning about Barbados. The children have learnt lots of interesting facts about Barbados. They then thought of some questions they could

ask Maria who comes from Barbados. Ava "We asked her lots of questions and she told us about the fruit in Barbados." Alex "Maria told the class they should ask their parents to take them to Barbados!"

Year three – Rashford class

We had a brilliant afternoon learning about and practicing different Buddhist rituals for our new RE unit. The children wrote their own mantras and made their own malas to welcome positivity and end suffering.

Year four – Malala class

Year 4 have been working on these amazing aliens during their art lessons with Barley. This week, we finished them. We think they look out of this world!

Year five – Kadeena Cox class

This week in Y5, we have been working on memorising our model text of William Shakespeare's Romeo and Juliet using our story maps, as well as exploring some of the original language of the play.

Year six – Sir Captain Tom Moore

Year 6 have had a busy week. We've been rehearsing for the production, kayaking, drawing nets of 3D shapes in maths, and reading 'Holes' in Destination Reader!

Attendance

<i>Pavlova</i>	98.2%
<i>Sky</i>	98.7%
<i>Rosen</i>	96.6%
<i>Simone</i>	93.3%
<i>Rashford</i>	98.9%
