Duke Ellington Class	Miamuna and Lucas
Tracey Chapman Class	Quinn and Natalia

Message from Neela

Dear Parents and Carers,

It feels like Spring might just have arrived with showers but also the much-needed lighter mornings and evenings.

We have lots of lovely things to look forward to over the next few weeks in the build-up to the end of term.

On Monday 20th March EYFS and KS1 will be performing in their Spring Recital at 2.30pm in the hall. This will be followed on Monday 27th March by the KS2 Spring Recital at 2.30pm in the hall. Both recitals will be an opportunity for each class to showcase the music that they have been learning in their lessons throughout Spring Term alongside some special solo performances from children who sing or play instruments outside of school. In the KS2 recital we will also hear from the school choir and bands and there might even be a bit of parent involvement. But don't worry, the children will get everyone warmed up first!

On Saturday FROGS will be running the Spring Jumble Sale from 10.30-12.30pm in the hall. Do come along and find some treasures. And I'm sure everyone is looking forward to the egg hunt on 30th March.

Have a lovely weekend!

Emmy

Nursery – Lin-Manuel Miranda class

Nursery had a lot of fun making balloon rockets for their science experiment this week.

Reception – Elvis class

In Reception class for Science Week we have making ramps and tracks for mini skate boards. We experimented with how high the ramp was and designed different courses for the skateboards. We got to take the skateboards home so that we could continue our design work and create the best ramp for our skateboards.

Year Two – Otis Redding class

This week as part of our STEM activity we spent a fun afternoon of engineering! We loved practicing engineering skills with this hands-on STEM project.

Year Three – Nina class

For science week, Nina class explored the maths and physics behind the creation of animations. Then, we made our very own phenakistoscopes!

Year Four – Jimmy Cliff class

Year 4 had a brilliant time celebrating British Science Week this week at Hackney City Farm! We were lucky to get the chance to see the newly born piglets and goat. It was brilliant and the children had a wonderful time.

Year Five – Duke Ellington class

We've had a brilliant time celebrating British Science Week 2023 in Year 5. We interacted with an online webinar about the Earth and Moon, and conducted an experiment on dissolving!

Year Six – Tracey Chapman class

Year 6 have had a busy week. We've been learning all about how to calculate percentages, writing a balanced argument and enjoying British Science Week!

Attendance

Lin-Manuel Miranda	97.0%
Elvis	85.1%
Dolly	94.4%
Otis Redding	93.3%
Nina Simone	95.7%
Jimmy Cliff	98.4%  well done Year 4
Duke Ellington	86.2%
