Message from Neela

Dear Parents and Carers,

Congratulations to our wonderful Year 6 who worked so hard this week on their SATs assessments. We are really proud of you Year 6, and hope you get chance to relax and celebrate this weekend. I know Shannen and Julie have lots of fun thing planned for you over the next few weeks.

The JRSOs received their training today so we are looking forward to them sharing information about road safety over the rest of the term.

The countdown is on for our children who will be travelling to Spain in a few weeks, and I know Raquel and the accompanying teachers are busy planning what is going to be a memorable trip.

I hope you all have a lovely weekend, and see you on Monday, hopefully to some brighter weather!

Best wishes,

Neela

Nursery – Lin-Manuel Miranda class

In Lin-Manuel Miranda Class this week we have really enjoyed our new 'Talk for Writing' story, We're Going On a Bear Hunt. We made some wonderful Story Maps and loved retelling the story with the actions and sound effects.

Reception – Elvis class

In Elvis Reception class this week we used our amazing garden to look for animals in their natural habitat. We found lots of insects under the logs. We have also been looking at shapes in Maths and how we can use them to make pictures.

Year One – Dolly Class

Over the last couple of weeks, Dolly class have explored the different ways we measure the weather including wind vanes, thermometers and rain gauges. We then made our own rain gauges and wind speed indicators out of recycled plastic which have been placed outside, ready to measure the rain and wind over the next few days.

Year Two – Otis Redding class

This week Otis class have been producing amazing work in writing. They are innovating ideas for their independent stories.

Year Three – Nina class

Nina Class loved our visit to the garden classroom on Friday! We used our navigation skills and teamwork to explore the park. We were able to connect our knowledge of magnets to understand how a compass works. If you need a navigator, come to Nina Class!

Year Four – Jimmy Cliff class

Year Five – Duke Ellington class

We've been having a great time in Year 5 working on our creative writing. This week, we've been focusing on the battle scene between Beowulf and Grendel - lots of exciting action!

Year Six – Tracey Chapman class

They've done it! SATs week is over and Year 6 have worked incredibly hard (not only this week, but throughout the whole year). They've been calm, focussed and positive all week, and made us incredibly proud. Well done Year 6, you're all amazing!
