Message from Neela

Dear Parents and Carers,

We are now at a particularly exciting point of the year, with almost all assessments completed, more sport opportunities available, and children excitedly looking forward to the coming year. I am very much looking forward to taking a group of children to the swimming gala next week, and Year 4 have an exciting farm visit to look forward to.

The temperature is rising but it is also very cool in the mornings. Please make sure your child dresses in layers and has a sunhat, sun cream applied before school, and a water bottle with them every day.

Have a lovely weekend,

Best wishes,

Neela

Nursery – Lin-Manuel Miranda class

This week Lin-Manuel Miranda class have been using Numercon, unifix cubes and 10 frames to make the numbers 11 - 20. This shows just how much progress the children have made in Maths recently

Reception – Elvis class

In Reception we have been learning a new song with actions for our Graduation Assembly at the end of term. We love our music lessons with Ken and magic is made when he starts to play the guitar. We all enjoyed singing the song and can't wait to show the parents at the Assembly at the end of term.

Year One – Dolly Class

This week Dolly class have been exploring what makes the perfect friend. We designed friendship flowers showing the qualities we look for in a friend and shared ways we show others we care about them. We also planned friendship chains - a small action to bring joy to a friend that they can pass on. Some ideas the class came up with were; smiling, sharing a toy, inviting someone to join a game or asking them to sit with you at lunch.

Year Two – Otis Redding class

This week Otis class have been building their skills in PE. We have been composing sequences in groups where we show our understanding of linking movements and performing movements which lead with different parts of our bodies.

Year Three – Nina Simone class

This week, Nina Class planted our seedlings into our garden planter. We were so excited to see how much they had grown since we planted the seeds before half term!

Year Four – Jimmy Cliff class

We have had a lovely week, back together at last after a long break. The children have been amazing, kind and funny! We got to make the most of the sun finally, taking our Maths learning outside to the playground.

Year Five – Duke Ellington class

Antarctica is our new Geography topic in Year 5. We've been learning about the Earth's southernmost and least-populated continent and have been surprised by how much wildlife can be found in such a cold part of the Earth!

Year Six – Tracey Chapman class

Preparations have begun for the Y6 summer performance! We've begun working on the script and collaborating to make sure everyone is happy with the role they're playing.

Attendance

Lin-Manuel Miranda	93.2%
Elvis	78.6%
Dolly	84.8%
Otis Redding	93.7%
Nina Simone	94.1%
Jimmy Cliff	93.2%
Duke Ellington	93.2%

Grasmere was delighted to host workshops from authors SF Said, Isaac Hamilton-Mackenzie and Louie Stowell as part of the Stoke Newington Literary Festival last weekend.

FROGS is organising an Enterprise Fair on Friday 16 June. You can book your stall & preorder a delicious Friday night curry here: <https://www.friendsofgrasmere.com/shop>

GRASMERE PRIMARY SCHOOL'S

Enterprise Fair

16TH JUNE
3.30-5PM

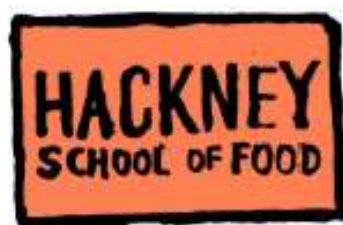

BOOK YOUR STALL & Friday Curry NOW!

Children can sell their handmade things (including food, drink and art); preloved toys, books and clothes; collectables; father's day gifts; services such as car washing... Anything they want! They could also donate a small part of their profits to their school's charity, FROGS.

BOOK A STALL FOR £3 AND PREORDER A FRIDAY NIGHT VEGGIE OR CHICKEN CURRY FOR £5 ON FRIENDSOFGRAEMERE.COM

Adults will need to supervise and help set up their children's stalls (including preparing some small change), and take home any leftovers. Thank you!

FRIENDS OF GRASMERE FROGS
