St Paul's Class	Ziggy and Sienna
Big Ben Class	Sienna and Maya
Tower Bridge Class	Lara and Isaiah
Ally Pally Class	Heeri and Finn
Globe Theatre Class	Le'Eriah, Nehir and Tanzil

Message from Neela

Dear parents and carers,

It has been a perfect Autumn week this week with plenty of sunshine. The classes have been making the most of it with outdoor learning and playtimes which has been really lovely. Children have been focusing on the value of 'creativity' today and on Monday we will find out in assembly who has really worked hard in this area.

We had another successful prospective walk round this week, with lots of parents saying they had recommendations from existing parents, so thank you to all of you for doing that! We have been welcoming some new children into the school recently, and have more arriving over the next few weeks. The children have settled in really beautifully and Grasmere children have made them feel very welcome. Welcome also to our new parents.

If you're going to the FROGs garden party this evening I hope you have a wonderful time!

Have a lovely weekend,

Neela

Nursery – London Eye class

This week in London Eye class, we have been learning about our Senses. We tasted some of the 3 bears porridge. We listened to the sound of the instruments. We looked through the magnifying glasses at the insects. We smelt different jars to find out what was inside and we used our sense of touch to play with the slime.

Reception – William Morris class

It has been another wonderful week in William Morris Class, we could not be prouder.

This week we have been beginning to read our green words in our phonics lessons, have learnt most of our story map for Wow! Said the Owl, have been practising some fantastic, expressive moves to Twinkle, Twinkle, Little Star and have been experimenting with size, mass, capacity and in our maths lessons.

Year One – Kew Gardens Class

This week Kew Gardens Class have been exploring the greater than, less than and equal to symbols in maths. They used cubes and rulers to prove which number was greater or less than another and impressed their teachers with their great mathematical language. Well done all!

Year Two – St Paul's class

This week year 2 have been practicing their throwing and catching skills in PE, to apply to their cricket lessons.

Year Three – Big Ben class

We've had a great time this week in Big Ben Class. We are making paper mache ancient Greek vases with Barley. A bit messy, but lots of fun!

Year Four – Tower Bridge class

We had a brilliant time learning outdoors this week, we collected sticks and twigs to make number lines to 10,000. The children were fantastic, they engaged so well and use mathematical language to explain their thinking.

Year Five – Ally Pally class

This week, Ally Pally Class began to learn about the Solar System in Science. We identified each planet and its position in the solar system, discovered how they are formed and discussed key terms such as orbiting, and why it occurs. We then began to build our own solar systems!

Year Six – Globe Theatre class

Year 6 have all continued to be superstars this week! We have been exploring factors, multiples, prime, square and cube numbers this week in maths, and using counters to deepen our understanding.

Attendance

<i>London Eye</i>	<i>86.1%</i>
<i>William Morris</i>	<i>99.7%</i>
<i>Kew Gardens</i>	<i>97.8%</i>
<i>St Paul's</i>	<i>94.7%</i>
