

Maths

This half term will see us revising the key concepts of mathematics in:

- Place value
- Addition and subtraction.

Writing

We will be using the picture book *The Heart and the Bottle* in this half term's writing. We will be learning the text and using it to build our characterisation skills.

History

We'll be learning all about the Second World War and the Blitz in History this half-term.

Reading

We will be reading Michelle Magorian's *Goodnight Mister Tom* this term. This book is not only fantastic, but it will also help us to find out more about life during the Second World War.

Art and Design
Technology

We will be investigating the work of living British artist Chris Offil, whose work explores identity, mythology, and biblical imagery.

Year 6 Autumn 1 Curriculum Map

Music

We'll be working with Ken in music.

Computing

We will be learning about computer networks and systems. We will find out how search engines work and think about how we communicate with each other online.

Science

Our unit is 'Electricity'. Building upon what we learnt in Year 4, we will be studying circuits, circuit symbols, and the main types of electricity.

PSHE

Year 6's PSHE unit is about mental health and emotional wellbeing. We are going to be thinking about how we name and manage our feelings.

Religious Education

We will be learning all about Jewish Responsibilities this half term. How does the Torah set out the responsibilities that Jewish people have to God, nature, and other people?

P.E.

Year 6 will have cricket on Fridays and swimming on Wednesdays.

Key dates this half term:

Meet the Teacher: Wednesday 13th September

Meet FROGS: Friday 14th September

Meet the Leadership team: Wednesday 20th September

Class assembly: Thursday 28th November 2023

The class email address is Year6@grasmere.hackney.sch.uk. This email is checked and responded to daily during school hours only.
