girl	shirt	he

### Art

We have been revisiting the work of the artist our class is named after, William Morris. He was inspired by the natural environment. Can you design a repeating print that could be used as wallpaper just like William Morris'?

### Topic

We have begun learning about different buildings around the world and how they are used.

Design your own building and tell us how it will be used? Is it a home or office, a zoo, museum or perhaps a library?

Have a lovely weekend!
